

CURRICULUM VITAE

NAME:

Luca Vezzoni

ADDRESS:

Via Novati 3
I-26100 Cremona
Italy
Cell phone: ++39 339 7204509
Work phone: ++39 0372 23451
Fax: ++39 0372 20074

DATE & PLACE OF BIRTH:

September 16, 1980, Cremona, Italy

EDUCATION:

Degrees:

- High school degree: Liceo Linguistico. July 1999
- Degree in Veterinary Medicine the 27th September 2005, Veterinary School of the University of Parma
- State Board examination the 11th November 2005, Veterinary School of the University of Parma.

Continuing Education:

- SCIVAC International Multisession Congress, Rimini 2006
- ESVOT Congress, Munich, September 8-10, 2006
- AO Internal Fixation Basic Course, Scivac, Cremona October 18-21, 2006
- 1st Education itinerary on soft tissue surgery – 3rd part: Urogenital surgery. SCIVAC, Cremona January 23-26, 2007
- 1st Education itinerary on orthopaedics- 4th part: Physical examination and orthopaedic & traumatology diseases. SCIVAC, Cremona February 27- March 1, 2007
- Distal extremities surgery and traumatology course. SCIVAC, Cremona May 16-19, 2007
- SCIVAC International Multisession Congress, Rimini 2007
- SIVAL Microsurgery course, Cremona, Italy, October 17-19, 2007
- Orthopaedic surgery AO advanced course, Cremona, Italy, October 31- November 3, 2007
- SIOVET (Italian veterinary orthopaedic society) meeting, Cremona, Italy, March 1-2, 2008
- SCIVAC diagnostic imaging course: Radiology of the skeleton, Cremona, Italy, March 17-19 2008
- Kyon Symposium 2008, Zurich, Switzerland, April 19, 2008
- Workshop ALPS (Advance Locking Plate System) Kyon, Zurich, Switzerland, April 20, 2008
- Orthofun SIOVET 2008, Perugia, Italy, April 25-27 2008
- 59th International SCIVAC Multisession Congress, Rimini, Italy, May 30- June 1, 2008

- SCIVAC Workshop on Forelimb angular deformities, Rimini, Italy, May 31, 2008
- SCIVAC External fixation course, Cremona, Italy, June 5-7, 2008
- ECVS Annual Scientific Meeting, Basel, Switzerland, July 10-12, 2008
- VA3 Veterinary Advanced Arthrology Association Symposium & Laboratory, Arthrex, Naples, FL, USA, August 21-22, 2008
- ESVOT Advanced TPLO Seminar, Munich, Germany, September 11, 2008
- ESVOT Congress 2008, Munich, Germany, September 12-14, 2008
- SCIVAC Skin reconstructive surgery course, Cremona, Italy, September 18-20, 2008
- SIOVET (Italian Society of Veterinary Orthopedics and Traumatology) meeting on "Orthopedics of Geriatric Patient". Cremona, Italy. November 8-9, 2008
- FSA (Animal Health Foundation): "Advanced course on patellar luxation diagnosis". Cremona, Italy. November 23, 2008 (Presenter)
- SCIVAC Surgery of the liver, advanced course. Cremona, Italy, November 3-4, 2008
- SCIVAC Advanced diagnostic imaging of the musculoskeletal system course. Cremona, Italy, December 11-13, 2008
- SCIVAC Advanced intensive course on surgery of canine cranial cruciate ligament. Cremona, Italy, January 26-29, 2009 (Presenter)
- SIONCOV (Italian Society of Veterinary Oncology) meeting on palliative surgery. Cremona, Italy. January 31st, 2009
- 36th Annual Conference of Veterinary Orthopedic Society. Steamboat Springs, Colorado, USA. February 28-March 6, 2009 (Presenter)
- SIOVET meeting on "Feline orthopedics". March 21-22, 2009
- SCIVAC Advanced workshop on TPLO. May 29, 2009 (Presenter)
- SCIVAC 62th International Congress. Rimini, Italy. May 29-31, 2009
- FSA (Animal Health Foundation): "Hip and Elbow Dysplasia Course". June 13-14, 2009 (Presenter)
- SICV (Italian Society of Veterinary Surgery) "XIV National Congress". Parma, Italy. June 19, 2009
- ECVS 18th Annual Scientific Meeting. Nantes, France. July 2-4, 2009. Presenter: "Complication of Kyon THR in growing dogs VS adult dogs".
- SCIVAC Articular and periarticular surgery advanced course. Cremona, Italy. October 14-16, 2009
- SCVI (Italian Society of Veterinary Surgery) National meeting, Cremona, Italy. October 17-18, 2009
- AO Vet Masterclass Course: Advanced corrective osteotomies, Cremona, Italy. November 4-7, 2009
- SIOVET (Italian Society of Veterinary Orthopedics and Traumatology) meeting on "Multimodal approach to osteoarthritis" Cremona, Italy. November 21-22, 2009. (Presenter: Free communication, "Pancarpal arthrodesis with palmar plating, preliminary experience")
- SCIVAC International wetlab "All About Cruciate", Cremona, Italy. January 25-28, 2010. (Presenter)
- SCVI (Italian Society of Veterinary Surgery) meeting on "Perineal and anal surgery". Cremona, Italy. February 6-7, 2010.
- SINVET (Italian Society of Veterinary Neurology) meeting on "Disc herniation treatment". Cremona, Italy. February 27-28, 2010
- SIOVET (Italian Society of Veterinary Orthopedics and Traumatology) meeting on "Implants in orthopaedics and traumatology". Cremona, Italy. March 13-14, 2010 (Presenter: "ALPS, advanced locking plate system: principles, application technique and errors")
- SCIVAC Gastrointestinal surgery course. Cremona, Italy. April 13-16, 2010.
- SCIVAC International Multisession Congress. Rimini, Italy. May 28-30, 2010 (Presenter: THR in growing dogs: higher risk than in adults?)
- SCIVAC Workshop on CT applied to surgery. Rimini, Italy. May 28, 2010.
- SCIVAC Arthroscopy workshop. Rimini, Italy. May 29, 2010.
- SCIVAC TPLO Workshop. Rimini, Italy. May 30, 2010 (Practical instructor)

- University of Vienna “Mega journal club” organized by Prof. Gilles Dupré. Vienna, Austria. June 11, 2010-07-25
- ECVS Annual Scientific Meeting, Helsinki, Finland. July 1-3, 2010
- World Veterinary Orthopedic Congress(WVOC), Bologna, Italy. September 15-19, 2010
- WVOC: SOP plates workshop and drylab. Bologna, Italy. September 15, 2010
- WVOC: Precongress seminar on canine sport medicine. Bologna, Italy. September 15, 2010
- WVOC: Biomedtrix in depth seminar. Bologna, Italy. September 17, 2010
- WVOC: In depth seminar on distal limb trauma. Bologna, Italy. September 18, 2010
- SCVI (Italian Society of Vet. Surgery) meeting on: Introduction to mini-invasive surgery. Cremona, Italy. September 25, 2010
- SCVI (Italian Society of Vet. Surgery) annual meeting: Abnormal fluid in abdominal cavity. Cremona, Italy. September 26, 2010
- SCIVAC Course on Ilizarov Circular External Fixation Methods, Cremona, Italy. October 10-12, 2010
- Kyon Symposium: Innovation in veterinary orthopedics and trauma, Zurich, Switzerland. October 13-14, 2010
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on: Practice management in veterinary orthopedics. Cremona, Italy. November 27-28, 2010
- SCIVAC Course: Course on surgery of urogenital and respiratory systems, Cremona, Italy. January 18-21, 2011
- Merial Symposium on: Medical and surgical oncology. Andalo, Italy. February -5, 2011
- SCVI (Italian Society of Vet. Surgery) meeting on: Herniae in dogs and cats. Cremona, Italy. February 6, 2011
- SCIVAC Course: Communication strategies, Cremona, Italy. February 17-18, 2011
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: Revision strategies in failures of orthopedic surgeries. Cremona, Italy. March 12-13, 2011 (Presenter: Revisions of luxations in THR)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) Orthofun congress: Speaker Daniel Koch. April 29-May 1, 2011
- AO Master Course on Distal Extremities. Cremona, Italy. May 12, 2011 (Presenter: Pancarpal arthrodesis with palmar surface plating, surgical technique and clinical experience)
- SCIVAC International Multisession Congress. Rimini, Italy. May 27-29, 2011 (Presenter: Asepsis in surgical theatre and patient’s preparation)
- SCIVAC Workshop on Elbow Dysplasia. Rimini, Italy May 27, 2011
- SCIVAC Soft tissue surgery workshop: “Where is the limit in surgical oncology?”. Rimini, Italy. May 28, 2011
- Biomedtrix Total Knee Replacement Course. Liverpool, Great Britain. June 3, 2011
- ECVS Annual Scientific Meeting. Ghent, Belgium. July 7-9, 2011
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Simple and complex fractures: surgical and conservative management”. Padova, Italy. October 8-9, 2011 (Presenter: Non surgical management of simple fractures)
- ACVS (American College of Veterinary Surgeons) annual meeting. Chicago, USA. November 1-5, 2011.
- ACVS Practical workshop: Helica THR & GenuSys TKR workshops. Chicago, USA. November 4, 2011
- SCVI (Italian Society of Vet. Surgery) meeting on: Surgery of the liver. Cremona, Italy. February 18, 2012
- SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. February 22-24, 2012 (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “All about patellar luxation”. Cremona, Italy. March 10-11, 2012 (Presenter: Use of the patellar groove prosthesis in chronic patellar luxation cases)
- Meeting of the veterinary association of Brescia city on pediatric surgery. Brescia, Italy , April 22, 2012 (presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) Orthofun congress: Speaker Noel Fitzpatrick. Rome, Italy May 24-27, 2012

- ECVS Annual Scientific Meeting. Barcelona, Spain. July 5-7, 2012
- ESVOT Congress 2012, September 13-15, 2012 Bologna, Italy
- SCVI (Italian Society of Vet. Surgery) meeting on: Reconstructive surgery. Cremona, Italy. September 22-23, 2012
- AO Master Course on Patellar Luxation. Cremona, Italy. October 15-17, 2013 (Instructor at wetlabs and drylabs)
- SCIVAC Course: Research methods, study design and results. Cremona, Italy. October 23-24, 2012
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "What's new about elbow dysplasia?". Cremona, Italy. November 10-11, 2012
- Kyon Total Hip Replacement course. Munich, Germany December 1-2, 2012 (Presenter)
- 40th Annual Conference of Veterinary Orthopedic Society. Canyons Resort, Park City, Utah, USA. March 9-16, 2013
- VOS Biomedtrix Drylab on "Exposure to the Biomedtrix Micro THR System and New Updates", Canyons Resort, Park City, Utah, USA. March 11, 2013
- VOS KYON Drylab on "Corrective osteotomies with Advanced Locking Plate System and Patellar Groove Replacement (PGR) in dogs. (Presenter: "PGR – rationale, surgery, clinical outcomes"). Canyons Resort, Park City, Utah, USA. March 15, 2013
- SCVI (Italian Society of Vet. Surgery) meeting on: Portosystemic shunt. Cremona, Italy. April 6-7, 2013
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: Toy breed dogs orthopedics and traumatology". Cremona, Italy. April 13-14, 2013 (Presenter: "Arthrodesis in toy breed dogs", "Preliminary experience with the use of BMPs in traumatology")
- ECVS Annual Scientific Meeting. Rome, Italy. July 4-6, 2012 (Presenter, short communication: "Use of the Kyon revision cup for treatment of acetabular cup loosening: surgical technique and clinical application in 30 cases")
- SCIVAC national congress "Rational approach to the orthopaedic patient". Montesilvano (PE), Italy. September 20-22, 2013. (Presenter: -Use of bandages in fracture treatment. -Breed oriented orthopaedic approach. -Early diagnosis of orthopaedic diseases.)
- ESVOT congress Patellar Groove Replacement Course. Vienna, Austria. September 26, 2013. (Presenter: - PGR: implants and instruments. - Surgical planning and evaluation of limb malalignment)
- ESVOT congress Double Pelvic Osteotomy Course. Vienna, Austria. September 27, 2013. (Presenter: - Surgical anatomy. - Instrumentation for DPO. - Management of complications, case based.)
- ESVOT congress seminar on hip dysplasia. Vienna, Austria. September 28, 2013
- SCIVAC Surgical wetlab "All About Cruciate", Cremona, Italy. November 21-22, 2013. (Instructor)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: Sport dogs orthopedics and traumatology". Cremona, Italy. November 23-24, 2013
- SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. February 19-21, 2014 (Presenter)
- Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy, April 27, 2014 (Full day presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) Orthofun congress: Speaker Michael Conzemius. Lecce, Italy. May 1-4, 2014
- AO masterclass course on advanced corrective osteotomies: rear limb and patellar luxation. Cremona, May 19-21, 2014 (Table instructor)
- SCIVAC International Multisession Congress. Rimini, Italy. May 29-June 1, 2014 (Presenter: Total knee replacement, prosthesis design and clinical application)
- European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy. September 16-19, 2014. (Presenter)

- SCVI (Italian Society of Vet. Surgery) meeting on: Traumatic injuries in working dogs. Cremona, Italy. September 20-21, 2014
- ACVS (American College of Veterinary Surgeons) annual meeting. San Diego, USA. October 15-18, 2014 (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Minimally invasive surgery in veterinary orthopedics and traumatology”. Cremona, Italy. November 22-23, 2014
- Fixin Double Pelvic Osteotomy Course. Minimally Invasive Surgery Center, Caceres, Spain. February 14-15, 2015. (Presenter: - Early diagnosis of Hip Dysplasia. - Surgical anatomy. - Instrumentation for DPO. – Complications after DPO.)
- SCIVAC Double Pelvic Osteotomy Course. Cremona Italy. February 28 – March 1, 2015. (Presenter: - Early diagnosis of Hip Dysplasia. - Surgical anatomy. - Instrumentation for DPO. – Complications after DPO.)
- SCVI (Italian Society of Vet. Surgery) meeting on: Neonatal surgery. Cremona, Italy. March 1, 2015. (Presenter: Congenital orthopaedic diseases)
- SINVET-SCIVAC International Congress “Veterinary Neurology in 2015: from clinical assessment to advanced neurosurgery”. Verona, Italy. March 27-29, 2015
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Complications in orthopedics and traumatology, how to manage and avoid them”. Cremona, Italy. April 18-19, 2015 (Presenter: “Complications in hip surgery”)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Pediatric orthopaedics and traumathology”. Cremona, Italy. October 10-11, 2015 (Presenter: “Cruciate ligament rupture in growing dogs: diagnosis and treatment”)
- SCIVAC Regional meeting “Introduction to pediatric orthopaedics” Padova, Italy. October 18, 2015 (Presenter)
- SCIVAC Regional meeting “Introduction to pediatric orthopaedics” Genova, Italy. November 8, 2015 (Presenter)
- SINVET (Italian Society of Veterinary Neurology) meeting “Cranial and spinal diseases, from diagnosis to treatment”. Cremona, Italy. November 28-29, 2015
- SCIVAC Double Pelvic Osteotomy Course. Cremona Italy. February 27 –28, 2016. (Presenter: -Surgical anatomy. - Instrumentation for DPO. – Outcome after DPO.)
- SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. March 9-11, 2016 (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Research and innovations in veterinary orthopaedics and traumathology”. Cremona, Italy. April 9-10, 2016 (Presenter: “Bilateral custom total knee replacement in a toy poodle”)
- Kyon Symposium: Innovations in veterinary orthopedics and trauma, Zurich, Switzerland. April 22-24, 2016 (Presenter: Patellar groove replacement and corrective osteotomies)
- European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy. April 26-29, 2016. (Presenter)
- AO masterclass course on advanced corrective osteotomies: rear limb and patellar luxation. Cremona, May 2-4 May, 2016 (Table instructor)
- SCIVAC Regional meeting “Introduction to pediatric orthopaedics” Cascina, Pisa, Italy. September 18, 2016 (Presenter)
- ACVS (American College of Veterinary Surgeons) surgery summit. Seattle, WA, USA. October 5-8, 2016 (Presenter)
- SCVI (Italian Society of Vet. Surgery) meeting on: Reconstructive surgery of head, neck and chest wall. Cremona, Italy. November 5-6, 2016
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Limb deformities, diagnosis and treatment”. Cremona, Italy. November 12-13, 2016 (Presenter: “Terminology and definition of limb deformities”)

- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Critical decisions in orthopedics”. Cremona, Italy. April 8-9, 2017 (Presenter: “Priorities in patients with multiple diseases”)
- AOVET Course Masters in Small Animals—Tibial Plateau Leveling Osteotomy (TPLO). Lisbon, Portugal. May, 26-27, 2017. (presenter and Co-chair of the course).
- Purina Veterinary Conference, Moscow, Russia. Organized by Purina. Moscow, Russia. September 8-9, 2017. (Presenter)
- Kyon Course “Treatment of cruciate ligament failure with TPLO”. Organized by Kyon. Moscow, Russia. September 11, 2017. (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Limb salvage strategies”. Cremona, Italy. October 21-22, 2017 (Presenter)
- AOVET Course Masters in Small Animals—Toy breed dog traumatology. Singapore. October 25,26, 2017. (presenter)
- AOVET Course Masters in Small Animals—Tibial Plateau Leveling Osteotomy (TPLO), October 27,28, 2017. Singapore. (presenter)
- Fixin Symposium. Venice, Italy. November 9-11, 2017. (Presenter)
- 6th BAVOT Annual Congress (Bulgarian Association of Veterinary Orthopaedics and Traumatology). Sofia, Bulgaria. November 18-19, 2017. (Presenter)
- VOG (Veterinary Orthopaedic Group) Fixin DPO (Double Pelvic Osteotomy) course. Opatija, Croatia. December 1, 2017. (Presenter)
- VOG (Veterinary Orthopaedic Group) Fixin TPLO (Tibial Plateau Leveling Osteotomy) course. Opatija, Croatia. December 2, 2017. (Presenter)
- Kyon TPLO (Tibial Plateau Leveling Osteotomy) course. Zurich, Switzerland. December 8, 2017. (Presenter)

PROFESSIONAL ACTIVITIES:

- ❑ Immediately after his degree in veterinary medicine, from the 1st October 2005, he did two years of internship at the Clinica Veterinaria Vezzoni, doing rotations in different fields of veterinary practice. He is full time employed in the same Hospital since the 1st of January 2007.
- ❑ From August 4th to August 17th 2008 he spent two weeks in North Grafton (MA, USA) as visitor at Tufts University Foster Hospital for Small Animals following the clinical activity of Dr Michael P. Kowaleski.
- ❑ From March 1st to April 14th 2012 he spent 6 weeks as visitor at Clinica Veterinaria San Marco in Padova, Italy, following the clinical activity of Dr. Tommaso Furlanello (D. ECVCP)
- ❑ From May to July 2013 weekly frequentation of Clinica Veterinaria Valdinievole in Monsummano Terme (PT) Italy, following the neurology clinical activity of Dr. Massimo Baroni (D. ECVN)
- ❑ From August 24th to September 4th 2015 he spent two weeks as visitor at the Veterinary Hospital of the Univeristy of Vienna following the clinical activity of Prof. Gilles Dupré

LECTURES PRESENTED:

	Date	Title of presentation	Type of meeting*	Name of meeting, location and organising group
1	1.3.2008	Case report of radius lengthening in a Bernese mountain dog with elbow dysplasia	National	SIOVET (Italian veterinary orthopaedic society) meeting, Cremona, Italy. Organized by SIOVET
2	4.3.2009	Double Pelvic Osteotomy (DPO) as a treatment option for hip dysplasia in growing dogs: preliminary results	International	36 th Annual Conference of Veterinary Orthopedic Society. Steamboat Springs, Colorado, USA.. Organized by VOS
3	2.7.2009	Complication of Kyon THR in growing dogs VS adult dogs	International	ECVS 18 th Annual Scientific Meeting. Nantes, France. Organized by ECVS
4	21.11.2009	Pancarpal arthrodesis with palmar plating: preliminary experience	National	SIOVET (Italian veterinary orthopedic society) meeting, Cremona, Italy. Organized by SIOVET
5	25.1. 2010	Cranial Cruciate Ligament Rupture: Differential diagnosis	International	SCIVAC (Italian Veterinary Association) International wetlab "All About Cruciate", Cremona, Italy. Organized by SCIVAC
6	26.1.2010	TTA Planning	International	SCIVAC (Italian Veterinary Association) International wetlab "All About Cruciate", Cremona, Italy. Organized by SCIVAC
7	13.3.2010	ALPS, Advanced Locking Plate System: principles, application technique and errors.	National	SIOVET (Italian veterinary orthopedic society) meeting, Cremona, Italy. Organized by SIOVET
8	28.5.2010	THR in growing dogs: higher risk than in adults?	National	SCIVAC (Italian Veterinary Association) International Annual Congress, Rimini, Italy. organized by SCIVAC
9	13.11.2010	Zurich cementless THR: risk factors	International	Kyon Symposium: Innovation in veterinary orthopedics and trauma, Zurich, Switzerland. Organized by KYON
10	27.11. 2010	Case report: A case of recurrence of IV ^o medial patellar luxation treated with patellar groove prosthesis	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on: Practice management in veterinary orthopedics. Cremona, Italy. Organized by SIOVET
11	12.3.2011	Revision of THR luxations	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: Revision strategies in failures of orthopedic surgeries. Organized by SIOVET
12	12.5.2011	Pancarpal Arthrodesis with palmar surface plating: surgical technique and preliminary results.	International	AO Master Course on Distal Extremities. Cremona, Italy. Organized by AO Vet
13	29.5.2011	Asepsis in surgical theatre and preparation of the orthopedic patient	National	SCIVAC International Congress. Rimini, Italy. Organized by SCIVAC
14	8.10. 2011	Non surgical management of simple fractures	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on: Simple and complex fractures: surgical and conservative management. Padova, Italy. Organized by SIOVET
15	February 22.24, 2012	Management of soft tissues in orthopedics and principles of asepsis	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
16		Orthopaedic instruments maintenance	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
17		Medial approach to the elbow	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC

18		Caudal approach to the elbow with olecranon osteotomy	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
19		Medial approach to the distal humeral diaphysis	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
